ATTACK FEES

Attack Registration Fees cover the cost of professional coaching, the use of fields, insurance, equipment, referee fees, team/individual photos, and skills/goalie clinics from June-November. Payment plans are available. Financial assistance is also available for qualified applicants.

2011 Registration Fees - \$1,400

Uniform fees

- **Returning Players - \$105** (kit includes practice jersey, shorts, socks, jacket)
- **New Players - \$215** (kit includes 2 game jerseys, shorts, 2 socks, jacket)

Attack Team Fees can range from \$300-\$600 depending on the number of tournaments your coach/team decides to participate in. This fee is derived from the team expenses (tournaments, travel expenses for the coach, team social functions, etc.) and is divided by the number of players on the team. This is handled by the Team Manager, not Attack Soccer.

There are individual and team fundraising opportunities during the season to help defray both the registration and team fees, such as: Opening Day team fundraising booths; Field Marshal for the tournament, and other programs; teams are often creative with yard sales, bake sales and other organized events to help raise money.
