

Soccer, It's More Than A Game!

Welcome to our Attack Junior Development Program (JDP)! At Attack we believe that soccer is more than a game! Our mission is to develop a passion for the game of soccer in all of our players, and through soccer, have fun, build character and develop an appreciation for the rich spectrum of the world's cultures. To accomplish this mission, we pledge to provide our soccer community with the resources and support needed to learn about the game. For all youth who want to play, we pledge to provide the highest level of coaching, the finest fields and equipment available, and to organize quality competition for all levels of play.

Girls 9:00-10:30/Boys 11:00-12:30

December 10 - Boys 3:45-5:15

December 11 - Girls 3:45-5:15

ATTACK JUNIOR DEVELOPMENT PROGRAM

The Attack Junior Development Program (JDP) was created as a bridge between recreational and competitive soccer for our youngest players. The program was created to offer these players the advantages of professional coaching while creating an environment that is both positive and challenging. The goal of this program is to focus on player development in a safe atmosphere that allows them to have fun as they learn essential soccer skills. This is an exciting program with the player's individual growth and enjoyment as its focus. They will play a 7v7 format and participate in our Junior Development League in the fall.

The playing season *typically* runs from June through December

- There will be 2 practices/week, each 60-75 minutes in length
- There will be a mandatory Team Camp that will be scheduled in the July/August timeframe
- Teams will participate in pre-season festival or tournament (summer)
- League play begins after Labor Day and runs through November.
- Teams often participate in post-season tournaments (December)

COACHING STAFF

MATT SEIPT - JDP DIRECTOR
(252) 349-6493

BOYS & GIRLS 2012-2013 COACH
Jase Scarvaci (858) 735-0388

Matt Seipt - JDP Director

Coach Matt has been with Attack for 5 years, most recently as the Director of the Junior Development Program. He holds a National D license, as well as NSCAA licenses and certificates. He is retired military and has 14+ years coaching in multiple locations including North Carolina, Stuttgart Germany and San Diego.

Jase Scarvaci - JPD Coach

Coach Jase has been both a player and a coach with Attack for 15 years. During his years as a player he participated in the ODP program and is a former NCAA player. He is currently the athletic Director at the Nativity School in RSF.

More information on the coaching staff can be found on our website at www.rsfsoccer.com.

ATTACK FEES

Attack Registration Fees cover the cost of professional coaching, the use of fields, insurance, equipment, referee fees, team/individual photos, and skills/goalie clinics from June-November. Payment plans are available. Financial assistance is also available for qualified applicants.

2012/2013 - \$1,150

Uniform Fees - \$200 approximately

Attack Team Fees can range from \$150-\$300 depending on the number of tournaments your coach/team decides in which to participate. This fee is derived from the team expenses (tournaments, travel expenses for the coach, team social functions, etc.) and is divided by the number of players on the team. This is handled by the Team Manager, not RSF Soccer.

There are individual and team fundraising opportunities during the season to help defray both the registration and team fees, such as: Opening Day team fundraising booths; Field Marshaling for the Attack tournament, and other programs; teams are often creative with yard sales, bake sales and other organized events to help raise money.
