

RSF ATTACK SOCCER

Team Sponsorship

TEAM SPONSORSHIP IS A WIN-WIN!

Team Sponsorship Overview

RSF Attack Soccer is a community based non-profit youth soccer organization with close to 1,000 participants that is run by a dedicated group of volunteers. Attack Soccer has been in existence for more than 40 years and committed to providing a high quality youth soccer program for children in and around Rancho Santa Fe.

Over the years we have strived to keep our registration fees affordable for all players through our Team Sponsorship Program. These tax deductible sponsorships go toward the cost of running our quality programs and providing scholarship assistance to children who want to play but do not have the financial resources to do so.

Support your local community and boost your business presence with your sponsorship. There are several options and your donation is TAX DEDUCTIBLE!
